"Tommy, your book and your songs are beautiful tribute to Deborah and the love you had for each other. I shared some of this heartbreaking journey and your words capture both the pain of that terrible disease and the peace and joy that God gave You to help you weather the storm."

I wake up every morning
Go to bed at night
Praying for a Christian friend
Who will share my life

The video shows a person walking away from the camera on a path through a wooded area, with a bright sun low on the horizon creating a strong backlight and lens flare effect.
